

### Mission:

The financial mission of Pack 303 is to raise enough funds each year to pay for the programs we want the scouts to enjoy. In addition, every boy will have the opportunity to participate regardless of their family financial situation. We also believe that a substantial portion of Pack funding should be obtained through direct efforts of the individual scouts through fund-raising.

### Budget:

The Pack leadership shall approve a budget each year, and it should be close to balanced between income and expenses. Persons spending money on behalf of the Pack should communicate any expected variances as soon as they are known.

### Den Finance:

Pack 303 has budgeted \$20 per Cub Scout this year for the Dens to use at their discretion. One of the Den leaders will be given a check for this at the beginning of the year.

These funds are to be used for Den expenses, such as copying, postage, supplies, kits, food, etc. The only conditions are:

- Spend all of it!
- Spend it, do not give it as cash gifts to the scouts.

If the Den needs more money, dues may be charged to the Den members.

You may set up a checking account for your Den. The Pack accounts are at The Chanhassen Bank. Use one of the Den leaders Social Security numbers on the account.

All purchases you make are sales tax exempt. Please see

the treasurer for a copy of our exemption certificate.

The Pack pays for:

The cost of Pack meetings and functions, with a few exceptions:

- Day Camp, where a partial fee is charged
